Nelson County Genealogical Roundtable membership is open to anyone interested in genealogy as well as the history of Nelson County and surrounding areas. The Roundtable was organized in 1984 as a nonprofit educational society for the purpose of preserving and sharing local records. NCGR also helps support the Genealogy Room of the Nelson County Public Library, serving patrons from all over the country with genealogical research. Donations to NCGR, from generous people like you, help purchase materials and equipment used in the Genealogy Room. As such, donations to NCGR are always appreciated in addition to, or in lieu of, membership.

The Nelson County Genealogist is our quarterly which is distributed to all paid members. Additional single issues can be purchased for \$10.00 each. Members are encouraged to share the surnames they are researching for posting on our website. We also welcome member pedigree charts, family group sheets, books, articles, and any other information to be shared. Materials submitted will be placed in our family files and may be printed in The Nelson County Genealogist.

Membership runs January 1 - December 31 and the cost of membership per year is \$20.00 (with digital quarterly sent by email) OR \$30.00 (quarterly sent by U.S. Mail). Please make your check payable to NCGR.
